This Writ Petition is filed under Article 226 of the Constitution of India, with a prayer to quash vide Ann-A dt. 10-9-97 and etc.

This Writ Petition coming on for preliminary hearing in 'B' Group this day, the Court made the following:-

O R D E R

The petitioner in this Writ Petition has challenged the bill issued by the respondent as Annexure-A towards the water supply. The learned Counsel for the respondents submitted that the petitioner has already given a complaint to the Appellate Committee and it is further submitted that the appellate committee will treat the said representation as an appeal and dispose of the same in accordance with law after due notice to the petitioner. In view of the said statement, I do not propose to express any opinion on merits in this Writ Petition. However, I direct the respondent ~~to~~ not to demand the payment of money as per Annexure-A till the representation given by the petitioner is considered and disposed of after due notice to him.

With this observation, writ petition is disposed of.
